

CONSTRUCTION – Specialty Builder’s Risk

RiskSmith delivers underwriting excellence across a diverse array of specialty insurance products. Our underwriters work with appointed Brokers to forge customized insurance

solutions for complex risks during the course of construction. Our renowned and skillful team is devoted to ensuring your clients receive exceptional service and innovative solutions, tailored specifically to their projects.

Our **Project Builder’s Risk Program** provides coverage for commercial projects in the course of construction across a wide array of occupancies and construction types using Whole Account, Lead/Quota Share and Follow Form Programs.
