

BUILDERS' RISK DEDUCTIBLE BUYDOWNS

The **risksmith** Builders' Risk Deductible Buydown Program is designed to provide CAT Deductible-layer risk-transfer targeting general contractors working in Coastal and Flood/Earthquake-exposed areas.

- **Builders Risk CAT Deductible Buydowns** for Construction Projects/Portfolios
 - **For projects \$30M and lower:** Template-driven, concise application with click-button submittal; bindable Quotes usually within 24 hours
 - **12-month CAT-Deductible “Wraps”** for in-process and new projects
 - **Higher Limits** for Large TIV projects up to 30 months in length also available
- **Follow-Form Coverage** on time-tested forms
- **Available** for All Wind, Wind/Hail, Named Windstorm, Flood and Earthquake
- **Value-Buildup Based Rating**
- **15% Commission**, A XV paper
