

Our **Transportation Program** offers solutions for Motor Truck Cargo and Auto Physical Damage insurance, providing broad coverage and fulfilling the need for package-underwriting capabilities.

### MOTOR TRUCK CARGO

- We have a variety of coverage options that provide creative solutions to your clients' Motor Truck Cargo coverage needs. Targeting those risks seeking more than standard coverage without the unnecessary "bells and whistles" larger carriers provide through hidden costs.
- **Specialized coverage includes:** refrigeration breakdown or spoilage coverage, broken seal, FSMA, unnamed terminals, and theft. Compare our form to your competition... ours is better!
- **Targeted Risks:** Dry Van, Refrigerated, Flatbed, 5-80 Units, MTC/APD Packages

### AUTO PHYSICAL DAMAGE

- **Auto Physical Damage** coverage for trucking, thoughtfully approached. On the road or while at a terminal, trucks face unique exposures to loss. With the use of Artificial Intelligence, we apply our underwriting expertise in this space intelligently and efficiently, translating into superior coverage at a lower cost.
- **Coverage includes** comprehensive and collision type losses, with up to \$5M in fleet catastrophe coverage.
- **Targeted Risks:** General Freight Haulers, 5-80 Units, Max TIV \$10M

### UNDERWRITING

The RiskSmith team understands what makes transportation risks unique, and has the experience and creativity to provide customized solutions to your coverage needs.
